

## Aspen Gardens Newsletter – October 2025

### Welcome from the vice chair

For those that did not make the AGM in September, I would like to introduce myself – I'm the new Vice Chair of the TRA, and I'm thrilled to connect with you through this newsletter. As Vice Chair, I'm dedicated to keeping you informed, engaged, and up to date with everything happening within our community.

In each issue, we'll share important updates and provide details about upcoming events and opportunities. Whether it's news, insights, or ways to get involved, this newsletter is your go-to resource for staying connected.
